SHYC Junior Entertainment

Mark your calendars! All junior entertainment events begin with a light dinner and activities to follow. All ages are welcome and encouraged. These are not drop-off events; parents need to supervise their children.

More specific details will be emailed a couple days in advance of each event. A more formal invitation to Family Fun Night will also be sent as it is an RSVP event.

Wednesday, June 28th, 5:30 pm

Build-a-Boat

An annual favorite, build your own boat using recycled materials. Any size you want, toy boat to one-man boat. Work as a team or on your own. Use available recycled materials or bring your own. Can it float? Can it sail? Find out in the float off!

Scavenger Hunt

Come in silly costume and search for the silly treasure. Teams of all ages work together to find clues and take on challenges around the Club. Followed by the epic annual SHYC ice cream sundae bar. So fun!
